Námsáætlun, vorönn 2019

Kennari:

Martyna Lozinska

Netfang:

martyna@bhs.is

Lýsing:

This course focuses on special vocabulary connected to specific professions. Each student is required to choose a field for research. During the course students will gather information on topics in their field and individually process this information and finally give presentations to fellow students.

Þekkingar-, leikni- og hæfniviðmið:

The aim of this course is to help students to.....

- enhance specific vocabulary
- increase their oral proficiency and ability to write in an organized manner
- communicate in English in the classroom
- gather information on different topics independently
- draw out main points from articles and create summaries

Námsmat:

Assignment	%
Presentations x 7	56% (8% each)
Dictionary	5%
Vocabulary quiz 1	5%
Vocabulary quiz 2	5%
Listening tests	5%

Aðrar mikilvægar upplýsingar:

A student that becomes ill and consequently cannot take an exam has to make up for it the first class they are back after their absence. Most of the assignments are handed in electronically so they must always be handed in on time. In special cases (connected to your absence) contact the teacher beforehand for further information about the next step. **There are no make-up exams or assignments at the end of the term. Late assignments will receive 0 grade.**

Námögögn:

The reading material is entirely based on the students' field of research, i.e. there are no books that have been chosen for the students. Students need to create an account on quizlet.com for vocabulary lists and quizzes. All information will be provided on Moodle.
