

# ENSKA – ENS3E05

Námsáætlun, vorönn 2021

**Kennari/kennarar:**

Íris Rut Agnarsdóttir

**Netfang/netföng:**

iris.agnarsdottir@borgo.is

**Lýsing:**

This course focuses on special vocabulary connected to specific professions. Each student is required to choose a field for research. During the course students will gather information on topics in their field and individually process this information and finally give presentations.

**Þekking, leikni, hæfni:**

The aim of this course is to help students to:

- enhance specific vocabulary
- increase their oral proficiency and ability to write in an organized manner
- communicate in English in the classroom
- gather information on different topics independently
- recognize main points from articles and create summaries

**Námsmat:**

Presentations x7	70% (10% each)
Dictionary	5%
Vocabulary quiz 1	2,5%
Vocabulary quiz 2	2,5%
Video Project	10%
Brochure	10%

**Námsgögn:**

The reading material is entirely based on the students' field of research, i.e., there are no books that have been chosen for the students. Students need to create an account on quizlet.com for vocabulary lists and quizzes. All information will be provided in INNA.

**Aðrar mikilvægar upplýsingar:**

A student that becomes ill and consequently cannot take an exam has to make up for it the first class they are back after their absence. In special cases (connected to your absence) contact the teacher beforehand for further information about the next step. **There are no make-up exams or assignments at the end of the term. Late assignments will receive 0 grade.**  
Copy+Paste of any of the graded assignments in the course gives automatically 0 grade.
